The DLA is a six month series of courses in Communications, Rotary Organization, Membership, Public Image, Youth Service, and The Rotary Foundation. All courses are taught online using the **Canvas platform**, the same platform used by colleges and universities to present their courses online. Each course is taught by an experienced district Rotarian with extensive knowledge in their specific course. In all, these districts have graduated more than 1400 Rotarians including more than 450 Academy graduates in Russia which translated all Academy materials into Russian. All interested Rotarians in District 6440 are encouraged to enroll in the Class of 2020.
